

Shift Bid

The Company informed me today that they plan to present the Winter plan to local management this week and have the Cycling Committee tentatively convene the week of September 14th with the bids dropping by the end of day September 22. The Bid should commence on the 29th, if all goes according to plan.

Early indications call for more operational lines and fewer relief compared to W25 but until we see what they present, I reserve judgement.

VPP / GHO

Just a reminder that the deadline for the VPP and GHO for the 2027 vacation is **September 15**. Please have your application in or withdrawn by this date. Every year, members approach me after the deadline passes but there is nothing that can be done so please do not procrastinate.

Dot Your Tees and Cross Your I's

Or, cross your t's and dot your i's – on your UM forms. That is, follow your SOPs. If you are unsure, look it up in ACpedia. Do all kids need UM forms? Can some kids travel without? Can I issue a Gate Pass? Remember, you will never be disciplined if you need to take a few extra minutes to ensure it's all correct but if you forget something – they may discipline you – even if you got the flight out on time or even early.

In solidarity,

Eric
